

A MESSAGE FROM THE ALUMNI CLUB PRESIDENT

Dear Brothers.

I hope the beginning of the holiday season has been good to you all!

Over the past few months, both the Alumni Club and House Corporation have been busy. We hope to have a monthly event in the Columbia area set soon. The Alumni Club is still in planning of other events and welcomes the suggestion of more ideas for the future.

One event in the making is a possible lunch gathering on the second Wednesday of every month in Columbia.

The House Corporation is still going strong after a revitalization of energy after the summer months. A housing meeting recently took place to get all of the board members and undergraduates on the same page. Not only did the meeting do this, it also showed the reutilization of our future house. We are all excited about the future planning and eventual implementation of our housing plan. I would encourage anyone to volunteer to help out with the very important endeavor.

Members of the Phi Sig Alumni Club of South Carolina will be celebrating the coming new year with a get together and oyster roast in Columbia and we hope all members can make it.

I would to wish everyone the merriest of holidays and a great New Year!

Damn Proud!

Kent Krieg, President

**A MESSAGE FROM THE
GAMMA TRITON
CHAPTER**

Alumni Brothers,

Happy Holidays! I hope this letter finds you all in good health and happiness around the holiday season. Furthermore, as the new undergraduate President of our Gamma Triton Chapter, I am Damn Proud to have the privilege to correspond with all of you and to inform you all that you have much to be Damn Proud of as well with this group of men.

Fall of 2007 has been a wonderful semester for Gamma Triton and we have much to be thankful for after an all-around great end to the calendar year. Early in the semester, we had the distinct pleasure of participating in USC Homecoming with the women of the Gamma Phi Beta Sorority. The Iota Class of new members had much to do with the success of our Homecoming effort along with Justin Linne, the Homecoming Chairman, who took home a first place prize in the Couples Dance. All of the brotherhood danced, painted murals, and ultimately celebrated after finishing second in the overall, university-wide competition.

Expansion proved to be another great achievement for the undergraduate men. The 14 diligent, promising young men of the Iota Class were initiated on November 16 providing a fall new member class in the top-third of the Greek System in terms of size for the third year in a row. As we move into the spring semester, the Alumni Club can expect to see a group numbering 57 undergraduate men! As the Brotherhood begins climbing towards 60 and 70 men, we are continually Proud of the successful foundation that was created by you all as Alumni brothers.

As the semester draws to a close, I am pleased to announce the newly-elected officers of our Chapter:

- President** Matthew Bartch, junior
- Vice-President** Wesley Shelley, sophomore
- Secretary** Daniel Brennan, sophomore
- Treasurer** John Huang, junior
- Sentinel** Gregory Publik, senior
- Inductor** Alexander Fogg, sophomore

In the coming spring, the Alumni Club can expect a large philanthropic effort. The 2nd annual Phi Sig Sorority Slam Kickball Tournament will be continued as our unique event for the Special Olympics as well as whole Chapter participation in the USC-sponsored Martin Luther King Day of Service and the Greek-led Dance Marathon event. Gamma Triton will continue its descent on Camden for the Cup as well as to the beaches of Carolina for Beach Weekend in March and April.

On behalf of the Gamma Triton Chapter, we would like to thank the Alumni Club for your continued support. I look forward to seeing the Alumni Club more in the future and forging a great relationship for many years to come as Gamma Triton becomes a leader at the University of South Carolina.
